Courtroom: 610

Reference case # 05-44481

Dear Judge Drain:

As a retired Delphi Salary Employee I strongly object to the recently filed Delphi Modified Plan of Reorganization.

This plan is structured to only benefit a few Delphi Senior Executives, General Motors, the UAW and Platinum Equity. It is totally at the expense of Delphi creditors, "Non-UAW" hourly workers, the retired salary employees and the American taxpayer. Also, It is clear that this whole deal is being brokered by the US Treasury, with Tim Geithner.

GM is receiving viable, ongoing revenue producing plants at no cost other than accepting the UAW pension plans.

Delphi Senior Executives will retain their positions and potentially receive either generous retention or severance bonus' from the new owners.

The UAW will continue under the GM umbrella for pensions and benefits, which are being financed by the US Government. This is certainly a recognition that Delphi workers whether Salaried or Hourly belong to GM and should be treated as GM Retirees. I ask that you make the ruling that any Delphi Salaried Retiree that worked more than 60% of their career with GM to be an official GM Salaried Retiree. That ruling would actually be beneficial to the Delphi you are seeking to help emerge from bankruptcy.

I ask the court to please not accept this modified plan, but to send Delphi and its partners- GM, the US Treasury, Platinum and the UAW, back to restructure a deal that is equitable to the "Non-UAW" retirees, salaried retirees, and the creditors. I believe that is the responsibility of the court.
